

USTRANSCOM Personal Property Advisory #21-0060

Date: 23 April 2021

From: USTRANSCOM Defense Personal Property Management Office (DPMO/TCJ9), Scott AFB, IL 62225

To: Department of Defense (DoD) Approved Non-Temporary Storage Transportation Service Providers (NTS TSPs)

Subject: Timeline Update for Non-Temporary Storage Tender of Service (NTS TOS) Publication and Use

- 1.** The Defense Personal Property Management Office is revising the NTS TOS to more closely align the NTS TOS with the recently approved changes to the DP3 HHGs Business Rules. We appreciate your participation in our March 2021 industry sessions and the formal comments submitted.
- 2.** The DPMO is in the final stages of adjudicating the comments received, and plans to publish the FINAL 2021 NTS TOS NLT 03 May 2021. The document will be posted <https://Move.Mil/SME>.
- 3.** To enable NTS Providers more time to review the REVISED TOS before submitting rates, the DPMO has changed the effective date to 01 July 2021 (originally planned for 1 June 2021). Rates are due 10 June 2021.
- 4.** The revised TOS will include containerization as an OPTIONAL Service; that said, DoD does not plan on ordering containerized services before 1 OCT 2021. As such, DPMO will not seek rates for containerized services from interested providers until the quarterly rate filing process begins.
- 5.** As previously communicated, DPMO will transition from a monthly rate filing process to a quarterly process. The first round of quarterly rates--including regular and containerized rates--will be effective 01 October 2021, with rates due no later than 15 August 2021. Monthly rate filing will be accepted until the final effective date of 01 August 2021 with rates submitted no later than 10 July 2021; these rates will be effective through 30 September 2021.
- 6.** This message was approved for release by the Deputy Director for Operations, Defense Personal Property Management Office, TCJ9-O.
