

USTRANSCOM Personal Property Advisory #21-0061

Date: 30 April 2021

From: USTRANSCOM Defense Personal Property Management Office (DPMO/TCJ9), Scott AFB, IL 62225

To: Department of Defense (DoD) Approved Non-Temporary Storage Transportation Service Providers (NTS TSPs)

Subject: Non-Temporary Storage Tender of Service (NTS TOS) Publication and Use

1. The Defense Personal Property Management Office has revised the NTS TOS to more closely align the NTS TOS with the recently approved changes to the DP3 HHGs Business Rules.
2. The DPMO published the FINAL 2021 NTS TOS 30 April 2021. The document is posted at <https://move.mil/SME>.
3. To enable NTS Providers more time to review the REVISED TOS before submitting rates, the DPMO has changed the effective date to **01 July 2021** (originally planned for 1 June 2021). Rates are due **10 June 2021**.
4. The revised TOS will include containerization as an OPTIONAL Service; that said, DoD does not plan on ordering containerized services before **01 October 2021**. As such, DPMO will not seek rates for containerized services from interested providers until the quarterly rate filing process begins.
5. TSPs that have not previously submitted an e-mail expressing interest in providing containerized rates, may submit an e-mail to: transcom.scott.tcj9.mbx.pp-smo@mail.mil, stating Company name, TOS number, and SCAC. Include GBLOC(s) and rate areas serviced. The deadline for responses is **21 May 2021**.
6. Information provided will be used to generate containerized schedule rate sheet(s). Sheets will be posted at <https://move.mil/SME>
7. As previously communicated, DPMO will transition from a monthly rate filing process to a quarterly process. The first round of quarterly rates--including regular and containerized rates--will be effective **01 October 2021**, with rates due no later than **15 August 2021**. Monthly rate filing will be accepted until the final effective date of **01 August 2021** with rates submitted no later than **10 July 2021**; these rates will be effective through **30 September 2021**.
8. This message was approved for release by the Deputy Director for Operations, Defense Personal Property Management Office, TCJ9-O.
